REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Newly added Claim 29 constitutes the combination of previously rejected Claims 11 and 15 in the final Office action filed 11 December 2009. However, upon reconsideration, this rejection has been withdrawn. Claim 29 recites where the contact piece is connected to a free end of the pilot piston by a contact ball (see Claim 29, line 18) thereby precluding the contact ball being a pilot piston valve member as taught by Kolchinsky (5,072,752) in view of Scheffel et al. (5,865,213). The objection to the drawings in the previous final Office action has also been withdrawn. In response to Applicant's arguments that the previous Office action was premature (see REMARKS, page 8, para. 2), this is not persuasive because all of the claims in the first Office action were cancelled by the Applicant and all newly added claims were either rejected or objected to.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeremy S. Baskin whose telephone number is (571) 270-7421. The examiner can normally be reached on Monday through Friday, 7:30AM to 5:00PM ET.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robin Evans can be reached on 571-272-4777. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
